Your Pains. Our Solutions.

With the Kyocera Evolution Series you get:

User-friendly Interface

Tablet-like functionality makes life easy. No more frustration at the MFP!

Fast Print and Scan Speeds

Get the documents you want when you need them and watch your productivity soar.

Smart and Scalable Solutions

Get your team working as one with solutions that help workflows run smoothly and efficiently.

Devices You Can Rely On

Kyocera devices are built to last the test of time. Get ready to say goodbye to costly downtime!

Optimal Security

With in-depth security capabilities you can rest assured that your confidential data is safe with Kyocera.

An Effortless User Experience

Over-complicated MFP controls drain valuable time and can impact your overall productivity. The Kyocera Evolution Series puts an end to that, with a user interface that has been totally redesigned to **minimize confusion** and **maximize your capabilities**, for printing that is easy and intuitive.

Meet the New User Interface

With standard colors and easy to understand icons, carrying out tasks at the printer has never been simpler.

Simple

Standardized icons and graphics make navigation intuitive and easy.

Intuitive

Emphasize important information and use gestures to select target items.

Efficient

Work quicker with fewer steps, along with quick-switch settings.

Higher Risks Mean Better Solutions

Security is a greater concern than ever before, with more large-scale cyberattacks hitting the headlines every day. Businesses must preemptively prepare for potential risks by equipping themselves with solutions that ensure data and networks are constantly protected.

The Kyocera Evolution Series comes with a whole range of new security enhancements:

Certificates

Devices keep themselves up to date with latest security certificates, and use encrypted communications to validate their certificates. (SCEP & OCSP/CRL).

Encryption

Protect emails with authentication, digital signatures and encryption. A faster way to keep data secure in your network (S/MIME & TLS version 1.3).

Device Management

You will have the ability to log security events and monitor for malware, data leakage and other security breaches. (SIEM).

Kyocera's up-to-date security compliance shows our commitment to the highest standards of information security management.

New Heights of Productivity

Now more than ever, companies are seeking devices that are more agile and robust, and ever-smarter ways of working. The Kyocera Evolution Series empowers companies to maximize productivity like never before.

Re-energize the Way You Work

High Performance
Fast print and scan speeds for maximum efficiency.

Paper Capacity
Less time filling paper trays means more time for quality work.

Digitization
Transform your workflows faster while pivoting to a paperless workspace.

Durability
Long-lasting toners ensure professional quality that lasts.

Proven Quality
Our devices have earned industry recognition for their reliability.

Optimal Security
Enjoy some of the most advanced security technology on the market today.

The Kyocera Evolution Series takes a holistic approach to workflows in the **modern workplace**.

By addressing and tackling pains at each stage of the document lifecycle, we have delivered a range of devices for today’s businesses, TASKalfa devices that help turn past weaknesses and blind spots into **new value-adding opportunities for your organization**.

We have taken the complex and made it simple.

As it should be.

Product Configuration

Scan Extension Kit (A)	Keyboard Holder 10	Banner Guide 10	Internet FAX Kit (A)	PH-7100/7120 Inner Punch Unit

Finish in Style

With the Kyocera Evolution Series, **it's your documents your way.**

Today's workspaces demand greater agility and media flexibility, and Kyocera has risen to the challenge with brand-new finishing capabilities for 60/70ppm devices.

ZF-7100 Z-Fold Option

This functionality enables you to add "z-folded" sheets into your documents. This includes diagrams, charts and other larger sheets that need to be folded into a 8.5" x 11" sized booklets. This can also be particularly useful for standalone applications when producing invoices, marketing flyers and brochures.

Staple Finishing Option

The Kyocera Evolution Series also boasts 4,000 sheet staple finisher options that support 65 and 100 sheet stapling and 2/3 hole-punching for clean, professional looking output so that more jobs can be kept in-house even in the most demanding of work environments.

IS-7100 Inserter Unit Option

This presence of two trays enables users to feed pre-printed pages as potential front or back covers or sheet inserts. The Inserter Unit avoids the need for pre-printed sheets to go through the high-temperature fusing process at the MFP, thus ensuring that the pre-printed sheets won't get destroyed or melted.

Evolving Our Future

Keep your productivity high and sustainability higher.

Kyocera was built upon the principle of **doing the right thing as a human being.** In everything we do, we try to balance ecology and economy, and seek to make all of our growth sustainable.

This means that you can rest easy knowing that, while you're maximizing productivity and efficiency within your business, you're also reducing your environmental impact.

The Kyocera Evolution Series makes it possible to combine eco-friendly printing with greener and more intelligent digital processes, so that your daily work has a reduced carbon footprint. Your growth doesn't have to cost the environment.

**We do more than just talk about sustainability.
Our actions speak for us.**
