# OMNIA<sup>®</sup>

PARTNERS

OMNIA Partners is the largest and most trusted cooperative purchasing organization for public sector procurement. We have brought together the nation's two leading cooperative purchasing organizations – National IPA and U.S. Communities – under one roof to form OMNIA Partners, Public Sector. The collective buying power of these unified purchasing cooperatives delivers superior value and savings for public agencies nationwide.

OMNIA Partners, Public Sector is the most experienced cooperative purchasing organization for [state](#) and [local government](#), [K-12 education](#), [colleges](#) and [universities](#).

Use of [Cooperative Contracts](#) reduces the cost of goods and services by aggregating the purchasing power of public agencies nationwide. Our participants have access to the largest portfolio of competitively solicited and publicly-awarded contracts with best-in-class national suppliers.

All contracts are awarded by a government entity utilizing industry best practices, processes and procedures. We adhere to the highest standards of procurement so you can feel secure knowing that you are in full compliance with industry regulations.

Omnia's team of certified public procurement professionals and cooperative purchasing experts is committed to bringing value to you and your government agency. We act as your advocates to leverage cooperative purchasing as a strategic part of your procurement strategy so you can drive efficiency, effectiveness and real savings within your agency or organization.

OMNIA Partners saves you time and money. Participating in the cooperative buying power of more than 234,000 entities helps you do more with less by reducing product and administrative costs. We are the largest and fastest-growing organization in public procurement, creating maximum purchasing power and resources for our participants.

OMNIA Partners, Public Sector participation has tripled over the past eight years. We continue to put the people, processes and solutions in place to support the needs of public agencies and educational institutions nationwide.

# The new reason for your customers to choose inkjet.

The TASKalfa Pro 15000c is more of what your customers want from inkjet printing. It's a cost-efficient, right-sized alternative to conventional printing, ideal for shorter-run, highly variable jobs, yet it's also fast and reliable. Using trusted print head and ink technologies developed by Kyocera, the TASKalfa Pro 15000c delivers standout image stability, as well as consistent output from high-pigment ratio and high-permeability Kyocera inks. Welcome to a new breed of super-fast inkjet production printing from Kyocera.

## Kyocera / OMNIA Service Level Agreement

### A. End-User Training

- 1) Included with each installed non-desktop Products is an initial on-site, one-hour training session at the Purchasing Entity's location. Included with each drop-shipped or desktop Products, is an hour, no charge, web-based, or on-line training session.
- 2) If Purchasing Entity elects to exercise the training option, the training will be provided within ten (10) Business Days of Purchasing Entity's request.
- 3) Kyocera offers an additional on-site, one-hour training sessions for a flat rate fee. Additional charges for travel and per diem, if applicable, will be negotiated with the Purchasing Entity prior to Order placement.
- 4) Kyocera will provide on-site or off-site operational training to designated Purchasing Entity personnel, until the personnel are able to operate the Equipment independently. Pricing for operational training shall be based on a flat rate fee. Additional charges for travel and per diem, if applicable, will be disclosed to the Purchasing Entity prior to Order placement.
- 5) Kyocera provides Product literature, user-manuals, and access to on-line resources, if available, at no charge to the Purchasing Entity.
- 6) Kyocera provides a toll-free or local end-user technical support number that Purchasing Entities can utilize for everyday minor troubleshooting. Technical support will be available during Normal Business Hours local time. The support line will either be provided by Kyocera directly or through a Kyocera authorized service provider.
- 7) Kyocera will provide phone/technical support within two (2) hours of Purchasing Entity's request for assistance. The support line will either be provided by Kyocera directly or through a Kyocera authorized service provider.

### B. Preventative Maintenance.

- 1) Kyocera will perform all Preventative Maintenance Services at the Manufacturer's suggested intervals, or as specified in an Order. Preventative Maintenance shall not be a requirement on desktop Devices.
- 2) The Preventative Maintenance will either be provided by Kyocera directly or through a Kyocera authorized service provider

### C. Equipment Performance

- 1) Equipment Downtime shall be computed from the time the Awarded Vendor is notified of Equipment failure until the time in which the Equipment is fully operational.
- 2) Kyocera guarantees that the fleet of Devices for each Purchasing Entity will be operational at least 96% of the time, during Normal Business Hours.
- 3) Kyocera or its authorized service provider will provide daily communication to the Purchasing Entity regarding inoperable Equipment, including updates regarding resolution timeframe, and any parts, Accessories, or Devices on back-order.

**D. Loaner Equipment**

If any Device is inoperable for two (2) Business Days, due to Equipment malfunction, as reasonably determined by Kyocera, then Kyocera or its authorized servicing entity shall provide the Purchasing Entity with a loaner Device of similar speed and capabilities until such time as the inoperable Device(s) are operable.

- 1) Kyocera shall guarantee the availability of repair parts for a minimum of five (5) years after the Purchasing Entity's Acceptance of any Device.
- 2) Kyocera is responsible for ensuring that any repair parts are operable and installed in accordance with Manufacturer specifications.
- 3) Repair parts may be new, reconditioned, reprocessed or recovered.

**E. Service Zones**

Unless otherwise specified in a Participating Addendum, Kyocera or its authorized service providers shall adhere to the following Service Call Response Times based on the distance that their Service Base Location is from the Purchasing Entity:

Service Zone	Definition	Response Time
1	0-50 Miles	4-6 hrs.

Beyond 50 miles from the local servicing entity, response times may vary, and additional open market travel related expenses may apply.

Repair or replacement of parts and/or Devices shall occur within two (2) Business Days of Kyocera or its authorized service provider arriving at Purchasing Entity's location, with the following exception:

If a new Device is being dropped shipped to replace a defective Device, then the Purchasing Entity must receive the new Device within three (3) Business Days.

**F. Equipment Relocation**

1. Kyocera Document Solutions America, Inc. or an Authorized Kyocera Dealer (both referred to herein as "KDA") will provide full maintenance service for the copiers, printers, multi-functional machines and related accessories (referred to as "Products") described on the front of this Agreement. KDA will provide preventative maintenance calls in conjunction with regular or emergency service calls for the Products.
2. On a monthly Billing Plan the Customer is billed each month with a Minimum Charge and an Excess Copy Charge based upon the number of copies made on the Products. Unless specifically stated on the front of this Agreement, paper, and staples, are excluded.
3. Some Products may be connected to an automatic meter reading device which will report the number of copies made each year on an Annual Billing Plan or each month on a Monthly Billing Plan and upon which invoices will be based. If an automatic meter reading device is not installed or fails to report properly, Customer shall provide KDA by telephone with the actual meter reading on the last business day of each one year period on an Annual Billing Plan or each calendar month on a Monthly Billing Plan. KDA may estimate the number of copies used if such reading is not received by KDA. The estimated Copy Charge shall be adjusted upon receipt of actual reading.
4. If toner and toner disposal tanks are elected to be included in the service provided under the Agreement, KDA will provide KDA brand toner and toner disposal tanks to the customer, based upon normal yield. If Customer's usage of supplies exceed the normal yields for the copier being serviced by more than 15%, KDA will invoice and Customer agree to pay, for the excess supplies at KDA's current retail prices then in effect. Any toner in storage at the Customer location is the property of KDA and KDA's representative may take an inventory periodically during normal business hours, at KDA's discretion.
5. Service calls under this Agreement will be made by KDA during KDA's normal business hours. Customer must provide adequate space for operation and maintenance of the Products and reasonable storage space for supplies to be used with the Products. Customer agrees to provide for the Products adequate electricity (including if necessary a dedicated 220v/20 amp wall outlet of 110v/15 amp or 20 amp wall outlet based on electrical wiring specification of Products), non-dedicated analog telephone line for an automatic meter reading device (with proper connection such as RJ-11 telephone connector) within seven feet of copier. The telephone line must not have any special features, such as "call waiting" and must be capable of making an outside long distance call.
6. During the term of this Agreement, KDA will provide without charge, replacement parts for parts which have been worn or broken through normal use. All other parts furnished will be billed to Customer at KDA's published parts prices in effect at the time such parts are sold.
7. If any Product is moved to location which is significantly further from KDA servicing location than the original location, KDA may elect to discontinue the service and refund the Maintenance Agreement price on a pro-rata basis less a 20% administrator fee, or KDA may charge an additional fee for the continuation of this Maintenance Agreement.
8. This Agreement will not apply to service made necessary by accident, misuse, abuse, neglect, theft, riot, vandalism, electrical power failure, power surges, low or high voltage in the electrical line, fire, water or other casualty, or to repair made necessary as a result of either service by personnel other than KDA personnel or the used of supplies or parts not meeting KDA's published specifications. KDA will charge customer for repairs and parts, due to the foregoing, at the prices in effect when such service work is performed.
9. When service work beyond the scope of this Agreement is required, KDA will submit a cost estimate for such service work. If such service work is authorized by the Customer, a separate invoice will be rendered.
10. This Agreement covers only the Products listed on the front of this Agreement and does not include any Products, equipment or accessories not listed.
11. This Agreement may not be assigned by the Customer.
12. This Agreement does not include applicable taxes. All taxes levied or imposed, now or hereafter, by any government authority shall be timely paid by the Customer.
13. If Customer defaults in any payments under this Agreement, then KDA shall be entitled to all expenses of collection, including reasonable attorney's fees, whether or not suit is brought, plus an interest and finance charge of 1% per month (12% per annum) or the maximum allowed by law, whichever is less, on the unpaid balance.
14. This Agreement constitutes the entire agreement between the Customer and KDA with respect to KDA's service. This Agreement shall be deemed to accurately represent the intent of the parties, notwithstanding any variance with the terms and conditions of any order submitted by the Customer in respect to KDA's service, or any oral representative made by any KDA representative.
15. This Agreement shall remain in full force and effect for successive Coverage Periods, but may be terminated at any time after the initial Coverage Period by either party on thirty (30) days prior written notice to the other party. The Maintenance Agreement price for the new period may be increased to reflect the age of the equipment or increased costs to KDA. Customer's obligation to pay all charges which have accrued shall survive any termination of this Agreement. KDA reserves the right not to renew this Agreement for specific Products if in KDA's sole discretion it believes a Product service overhaul is required.

### KYOCERA Document Solutions America, Inc.

The exceptional performance of our products has been highly praised by noted industry analysts and certification authorities worldwide. This is reflected in the numerous awards we have received. We're committed to giving you high quality, reliable and all-around robust products to help your business put knowledge to work.

### We are the BLI 2024 A3 Line of the Year!

Keypoint Intelligence, the global data and market intelligence leader for the digital imaging industry, has named Kyocera's floor device the BLI A3 Line of the Year. We were named Line of the Year because of our devices':

Our devices have been recognized for their excellent, long-lasting performance, which lets professionals focus on the tasks, regardless of where they work. Our broad portfolio helps professionals find the device that matches and exceeds their needs. Despite this, we aim high and continue to innovate new, intelligent technology, which reduces waste and saves money. That's why our MFPs have been named the BLI 2024 A3 Line of the Year by Keypoint Intelligence!
